PROGRAM

Hurricane Milton: Managed Vendor Partner (MVP)

Accessing and coordinating disaster response services following an adverse event can be challenging. Through a single point of contact, DRS matches the right experts to your unique loss recovery needs, and provides the on-the-ground support, oversight, and project management services to streamline your recovery process.

From disaster preparedness and mitigation, to response and recovery, you gain immediate access to a comprehensive suite of disaster management services through our Managed Vendor Partner (MVP) Program. Our MVPs are best-in-class, offer competitive pricing, and are able to respond to any size need at a moment's notice.

After a gas leak caused an explosion, a power generation company in Panama used DRS' MVP Program to source and install a replacement barge reducing their period of interruption to less than a year.

A school district in East Texas used DRS' MVP Program to source and install temporary classrooms for 1,100 students within 10 weeks of the flood event, getting students back into classrooms quickly and safely.

DRS coordinates and manages a broad portfolio of disaster recovery services, including:
