

MVP: Managed Vendor Partner Program

Accessing and coordinating disaster response services following an adverse event can be challenging. Through a single point of contact, DRS matches the right experts to your unique loss recovery needs, and provides the on-the-ground support, oversight, and project management services to streamline your recovery process. From disaster preparedness and mitigation, to response and recovery, you gain immediate access to a comprehensive suite of disaster management services through our Managed Vendor Partner (MVP) Program. Our MVPs are best-in-class, offer competitive pricing, and can respond to any size need at a moment's notice.
